

Admissions Policy

Statement of intent

It is our intention to make our pre-school accessible to children and families from all sections of the local community.

Aim

We aim to ensure that all sections of our community have access to the pre-school through open, fair and clearly communicated procedures.

Methods

In order to achieve this aim, we operate the following admissions policy.

- We ensure that the existence of the pre-school is widely advertised in places accessible to all sections of the community.
- We ensure that information about our pre-school is accessible - in written and spoken form - and, where appropriate, in different languages. If requested we will try to provide information in Braille, or through signing or an interpreter.
- Children in their preschool year are given first priority. In addition our policy may take into account siblings already attending the pre-school.
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our pre-school and its practices in terms which make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.
- We describe our pre-school and its practices in terms of how it treats individuals, regardless of their gender, special educational needs, disabilities, background, religion, ethnicity or competence in spoken English.
- We describe our pre-school and its practices in terms of how it enables children with disabilities to take part in the life of the pre-school.
- We monitor the gender and ethnic background of children joining the group to ensure that no accidental discrimination is taking place.
- We make our equal opportunities policy widely known.
- We consult with families about the opening times of the pre-school to avoid excluding anyone.
- We are flexible about attendance patterns to accommodate the needs of individual children and families.

This policy was adopted at a meeting of Brownberrie Lane Preschool.
